

Continuous Cheque Clearing Starts October 4, 2025

Dear Customer,

Greetings from RBL Bank!

We are happy to share an important update that will make your banking experience even smoother. In line with the latest RBI directive dated August 13, 2025, we're enhancing our cheque clearing process to ensure faster access to your funds.

Starting October 4, 2025, cheques deposited by the branch cut-off time will now be cleared on the same day, instead of the next working day.

Current Process	New Process (from Oct 4)
Credit on T+1 working day (around 6:00 PM)	Credit expected on the same day if deposited before cut-off time*

*Cut-off times may vary by branch. Please check with your branch for details.

What is Continuous Clearing?

Cheques will now be processed continuously throughout the day, rather than in batches. This means quicker settlement and faster access to your money.

Here's what you need to keep in mind:

- Ensure your account has sufficient funds before issuing a cheque to avoid any inconvenience.
- For cheques above Rs. 50,000, we recommend updating Positive Pay details to ensure smooth and Secure processing.
